INSTRUCTIONS

1. Strictly do not edit anything in this tab. All data here is synced automatically from other tabs.
2. No need to duplicate this tab every month. Simply change the date from the setup tab to view the content for the entire month.
3. The content section is synced automatically from Content Scheduler tab. It supports up to 10 posts per day. Change the Page Number to view more contents (5 posts per page).
4. Each post is linked to the entry in the Content Overview tab, which is synced from the Content Scheduler tab. Click the pop-up details to view its content.
5. All posts that are already Published will be marked with a check (✓) beside them.
6. The feed preview is synced automatically from the Content Scheduler tab. It shows a live feed where the most recent posts appear first. Select the platform you want to show the feed preview, then click the arrow buttons to scroll through it.
7. The tasks, goals, important dates, and notes are synced automatically from the Monthly Planner tab. Select the page to browse for more.
8. For important dates, any event or deadline due today will be highlighted in brown. All past dates will be automatically crossed out.
9. Tasks and goals will be crossed out once completed.
10. If you want to edit the details, go to the source where the data is synced and make the changes there.
11. To hide or show the instructions, click the minus/plus (collapse) button on the left side of this section.

MONTHLY PLANNER

Use this tab to plan your social media strategy and organize monthly tasks, goals, and important deadlines/events to stay on track and ensure timely completion.

INSTRUCTIONS
1. Choose the year you're working on, then use the slicer to select the month for quick reference.
2. Record your monthly tasks, goals, and key dates to track their progress regularly. Monitor your task status by choosing from the "Status" column. To add your own options, click the edit (pen) icon in the lower-right corner of the status bar.
3. Plan your social media strategy by answering the provided questions. You may also change the questions as needed.
4. Mark the checkbox when a task or goal is done or completed.
5. For important dates, any event or deadline due today will be highlighted in GREEN. And the dates that have passed will be automatically ~~crossed out~~.
6. To hide or show the instructions, click the minus/plus (collapse) button on the left side of this section.
